

This book studies the Talmudic approach to Delegation. We develop logical models for the basic Talmudic views of delegation. The Talmudic approaches to the relationships between the Principal and his Agent/Delegate are fundamentally very logical, and deal with questions like chains of delegations, transfer of power, cancellations, death, irresponsible behaviour, change of the terms of delegation, and much more. We highlight the differences between the Talmudic approach and the view of delegation in modern legal systems.

I am Right, You are Wrong: From This to the New Renaissance, From Rock Logic to Water Logic (Paperback) - Common, -30-: The Collapse of the Great American Newspaper, Hypno Machines - How To Convert Every Object In Your Environment As a Device For Psychological and Emotional Manipulations!, The Green Travel Sourcebook: A Guide for the Physically Active, the Intellectually Curious, or the Socially Aware, Anomalies in the European REITs Market: Evidence from Calendar Effects (Palgrave Macmillan Studies in Banking and Financial Institutions),
