

When a wealthy Wall Street commodity futures trader is found dead in his townhouse of an apparent drug overdose, Deputy Coroner Michael Antonetti, NYPD, is suspicious. Antonetti tells Detective Louis Martelli he suspects what appears to be a suicide may in fact be murder. After a similar case is discovered involving a former friend of the Wall Street trader who played on the same high school football team almost twenty years earlier, Martelli is convinced he is dealing with someone bent on revenge. But the two teammates who ostensibly committed suicide were part of an elite three-man squad known as The Flying Horsemen. This convinces Martelli there will be a third victim. But who might it be, and could the killings have anything to do with the rape and suicide of some of the men's former high school classmates? The answers will be found in this mystery/thriller that will keep you on the edge of your seat until the very end.
