

Keats Grecian Urn is a monster, the most prophetic object of modern times, present only in its absence. As this study discusses, Keats Ode on a Grecian Urn is the poets attempt to document not only the fragility of our world, but also our perception of it, which coupled with his sophisticated method, is found at its most concise in the immortal object of his words. It is demonstrated how Keats precedes the 20th Centurys brightest minds with his succinct and articulate discussion of modern mans relationship with his ultimate creation - modernity itself.
