

Why does Scotch whisky taste as it does? Where do the flavours come from? How might they have changed over the years? The flavour of Scotch whisky is as much influenced by history, craft and tradition as it is by science. Whiskypedia explores these influences. Introductory sections provide an historical overview, and an explanation of the contribution made by each stage of the production process. Each entry provides a brief account of the distillery's history and curiosities, lists the bottlings which are currently available, details how the whisky is made, and explores the flavour and character of each make. Charles MacLean has spent thirty years researching, writing and lecturing about Scotch whisky. Whiskypedia is the result of deep immersion in its subject. It will guide, entertain and inform novices and experts alike.

And The Word Became...a Sermon, Lab Equipment Women: A Trashy Sexploitation Adventure, Blood Runs Cold, Punishment and the Moral Emotions: Essays in Law, Morality, and Religion, Revenge of the Assassin: (Assassin Series #2), Eucharistic Hymns - Benediction - Hymns To Mary: The Catholic Hymnal - An Anthology Of Hymns, Stokes Encyclopedia of Familiar Quotations: Containing Five Thousand Selections from Six Hundred Authors; with a Complete General Index and an Index of Authors, Lifes Little Emergencies,
